New Products

Proximity Automated Locking Systems

Proximity Locking System Features & Benefits

- Available on our Lightweight Aluminum and Slim Med Jr. Unicarts.
- Allows user to use a proximity card, or a combination to gain access to the cart.
- Keypad can be disabled easily so only proximity cards are accepted.
- Uses industry-standard HID proximity system.
- Can be used with hospital's existing systems. We also offer 2 different types of proximity cards for purchase (standard credit card size and miniature size).
- Holds up to 250 user or supervisor codes and can track the last 1,500 successful and failed access attempts.
- Manual key override for emergency access.
- Auto Lock & Unlock. Ability to relock after designated amount of time (set by user). Can also be disabled if preferred.
- LED indicators show the battery status (locked or unlocked).
- Windows PC optional software package enables you to manage single or multiple carts, user codes and auditing capabilities.

The new Proximity locking systems allows users to access essential supplies in seconds. Simply swipe your badge in front of the reader and the fully automated system unlocks instantly.

Antimicrobial Surfaces

UTGPA-333369-ELB

5" Premium easy roll casters with injection molded abs stabilizer base

(2) Braking
(1) Tracking
(1) Total Swivel

Use the manual key overide for emergency access.

Keypad holds up to 250 user or supervisor codes.

Simply wave your badge to unlock instantly.

Lightweight Aluminum Cart Highlights

Standard Features & Benefits

Our ELITE Aluminum Cart offers easier maneuverability and safety when time is of the essence. Lightweight aluminum construction is 30% lighter than standard steel carts.

Antimicrobial Surfaces

• The patented U-Divide™ System included in every drawer!
• Antimicrobial properties built-in to protect portions of the product.
• New dual pull-out shelves provide additional work surface on both sides of the cart.
• 4 vertical aluminum corner mounting tracks to mount accessories without the need of predrilled holes.
• 2 side mounting panels to assist in placement of accessories.
• Dual push handles.
• Exterior comes standard in three colors: Red, Blue or Light Gray.
• ABS cutaway plastic top minimizes wrist strain when writing or working on the cart's surface.
• Centralized locking with 5 available options.
• Ability to configure drawers to fit individual needs at no additional charge.
• 5" Premium easy roll casters. (1) full swivel, (2) swivel w/ brake, (1) swivel w/ tracking.
• Stabilizer Base with high impact, non-marking plastic bumper to add stability and help keep cart from tipping.
• Drawers with ball bearing slides were designed to push in and lock even after the cart has been secured.

Cutaway plastic top.

Stylish drawer pulls.

Dual slide-out shelves.

Up to 40% Lighter Weight
than comparable steel carts.

Drawer Dividers INCLUDED!
$400
average savings!

Flexible Security Options

Let us increase the security of your cart! Gatelocks can be easily added to any cart. Some of the many uses include:

• Storing Narcotics
• Visible Inventory Management
• Securing Liquids

*See page 37 for more details.*

Lightweight Aluminum Slim / Bedside Carts

Standard Features & Benefits

Our ELITE Lightweight Slim Cart offers easier maneuverability and safety when time is of the essence. Lightweight aluminum construction is 30% lighter than standard steel carts.

- The patented U-Divide™ System included in every drawer!
- Antimicrobial properties built-in to protect portions of the product.
- New dual pull-out shelves provide additional work surface on both sides of the cart.
- 4 vertical aluminum corner mounting tracks to mount accessories without the need of predrilled holes.
- 2 side mounting panels to assist in placement of accessories.
- Dual push handles.
- ABS plastic top minimizes wrist strain when writing or working on the cart's surface.
- Centralized locking with 5 available options.
- Ability to configure drawers to fit individual needs at no additional charge.
- 5" Premium easy roll casters. (1) full swivel, (2) swivel w/ brake, (1) swivel w/ tracking.
- Stabilizer Base with high impact, non-marking plastic bumper to add stability and help keep cart from tipping.
- Drawers with ball bearing slides were designed to push in and lock even after the cart has been secured.

Dual slide-out shelves.
Drawer Dividers INCLUDED!

Phlebotomy/Specimen Collection Cart

FEATURES and BENEFITS
- These multipurpose carts are made out of a combination of steel, aluminum, and plastic to create a lightweight solution that is still very sturdy.
- Removable ABS plastic molded top.
- Includes gatelock for security.
- The 3 and 4 inch drawers act as tray holders for removable dividers. We include these customizable divider trays in each cart.
- Ergonomic push handles.
- 12 clear plastic tilt bins built into the front of the cart that conveniently show their contents for fast and easy access.
- Toss away waste into the pass-through sharps container that locks inside the cart or into the built-in tilt-out waste bin (see below).
- Also includes a glove box holder and side mounted paper holder.
- 5" Premium easy roll casters. (1) full swivel, (2) swivel w/ brake, (1) swivel w/ tracking.
- Stabilizer Base with high impact, non-marking plastic bumper to add stability and help keep cart from tipping.

Elite Aluminum Uni-Cart Configurations

Waterloo Healthcare recognizes that there are unique and specific needs in most healthcare settings. Our catalog illustrates the most popular cart configurations, however we do not want to limit your options. Design your own configuration using the parameters outlined below.

Cart Size Options

1. Choose a cart size (Short, Medium, Tall, X-Tall)
2. Select any combination of 3", 6", 9" or 12" drawers that fit within your cart's configurable drawer space.
3. Select drawer front colors based on color options below.

Short
29"W x 24.5"D x 36"H
21" Configurable Drawer Space

Medium
29"W x 24.5"D x 39"H
24" Configurable Drawer Space

Tall
29"W x 24.5"D x 42"H
27" Configurable Drawer Space

X-Tall
29"W x 24.5"D x 45"H
30" Configurable Drawer Space
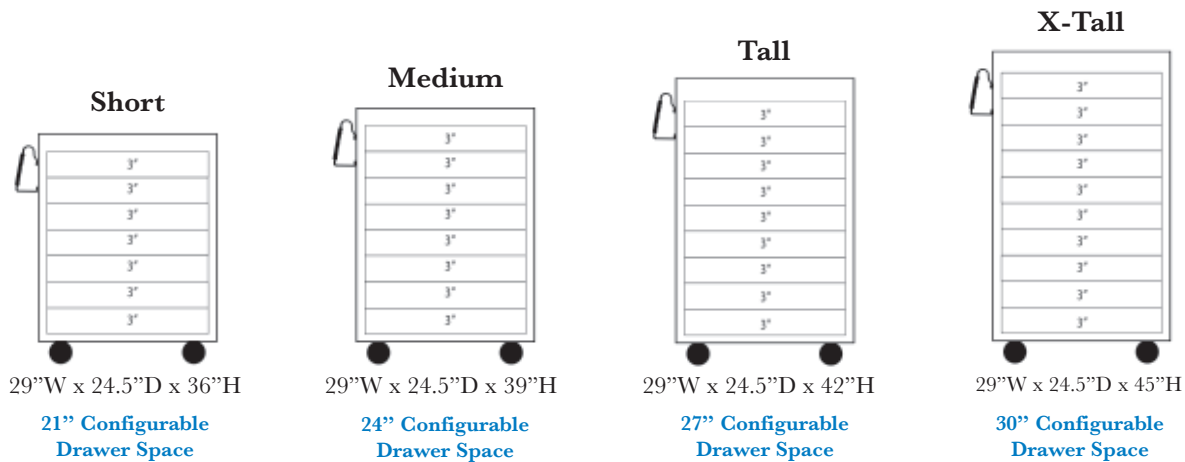

Dimensions include new bumper, stabilizer base and casters.

Build Your Part Number, It's as Easy as 1,2,3...

Traditional Steel Uni-Cart Configurations

Just like our NEW Elite Lightweight Aluminum carts, the Traditional Steel Uni-Carts are easily customizable to fit any healthcare facilities needs. With the following charts and instructions you can design a cart that will be unique and function specific. With so many options and no customization fee why go anywhere else?
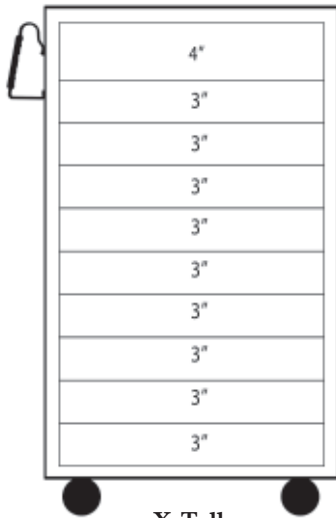

X-Tall
29"W x 24.5"D x 46.5"H

27" Configurable Drawer Space
4" top drawer required.
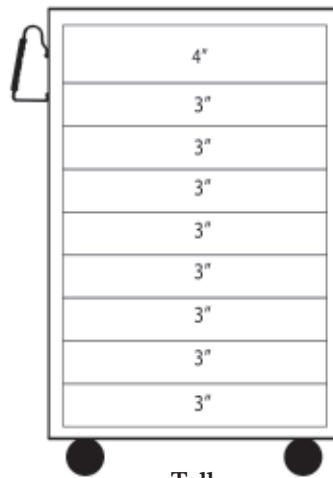

Tall
29"W x 24.5"D x 43.5"H

24" Configurable Drawer Space
4" top drawer required.
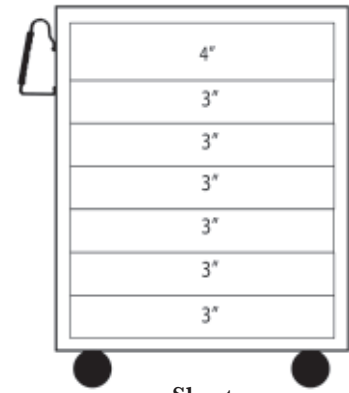

Short
29"W x 24.5"D x 37.5"H

18" Configurable Drawer Space
4" top drawer required.

The top 4" drawer is required for our internal, tamper-resistant locking mechanism. Multiple 4" drawers are no longer available in any configuration. Dimensions include new bumper, stabilizer base and 5" casters.

Build Your Part Number, It's as Easy as 1,2,3...

EACH ALPHA OR NUMERIC DIGIT HAS A MEANING: example (UTGKU-433369-PNK)

Section 1 letters
1st ...."U"= unicart
2nd ...."S"= short or "T"= tall or "X" = X-tall exterior
3rd ...."B"= blue, "G"= lt. gray, "R"= red exterior
4th ...."K"= key, "L"= lever, "S"= simplex,
5th ...."U"= steel
All carts are shipped assembled.

Section 2 numbers
1st height of 1st drawer (A 4" drawer is standard here)
2nd ....Height of 2nd drawer
3rd ....Height of 3rd drawer
4th ....Height of 4th drawer, etc.
Last digit of this section can be a "P" for a 9" panel.
Totals for Section 2 must equal 22 inches for short cart; 28 inches for tall cart; 31 inches for X-tall cart.

Section 3 colors (3 letters signify color choice for drawer fronts. Colors to choose from are listed below.)

Aluminum Medication
Medication Cart Highlights

Waterloo Healthcare medication carts offer quality, security and flexibility. With two locking options and flexible custom configuration, the Medtrx-series carts will fit the needs of any facility. See page 57 for customer configuration options.

Our Medtrx series is available in two sizes. Our full size cart offers half size drawers on the left for storage and supplies and space for up to 50 patient bins or full size drawers on the right. We also have a half size cart (Halftrx) for use where space is limited. This cart can hold full size storage drawers, patient bins or a mix of both.

Locking options to choose from:

**Tamper Resistant
Best® Key Locking System**

**Simplex Pushbutton
With Key Lock Override**

Antimicrobial properties built-in to protect portions of the product.

**Antimicrobial
Surfaces**

Dual-Sided Medication Carts

DMC3-4S10

Standard Features:

- Tamper resistant Best® locking mechanism maintains secured storage of all components.
- Bin sizes available: 3", 4", 6" wide bins available.
- Cassette shelves in a DMC-3 house two cassettes of the same size, back to back.
- Four 5" premium easy roll casters allow you to move from tile to carpeted surfaces with ease. Comes with two swivel w/ brake, one full swivel and one tracking caster
- Two shelves and built-in waste receptacle.
- Non-marking, high-impact stabilizer base.
- Slide out work surface with cover, ABS plastic top and cup dispenser are also standard with the DMC carts.
- Drawers can be opened from either side of cart. Ball-bearing drawer slides provide easy opening and are unaffected by weight of stored items. A positive center catch device prevents drawers from accidentally passing through when cart is being moved or when unlocked.

Antimicrobial Surfaces

Side Module w/Shelf
Additional storage.

Waste Receptacle
Dispose of your waste easily with this built-in receptacle, conveniently located in side module.

Storing narcotics?
Individual locks can be added to medication cart drawers (not available for 3"H). Drawers are keyed separately from cart to add extra security. Ask your sales representative or call our customer service department at 1-800-833-4419 for more information.

NL-MT Narcotics Lock

Terms & Conditions

PLACING YOUR ORDER
- When placing your order with us, please refer to your customer account number, which appears on all of our invoices and packing lists.
- Please write your customer account number on the first page of your catalog for immediate reference when placing orders
- All orders must be in writing. Please fax your order to us or send in by mail.
- Although they may not be listed individually, Customer Service can help you order special parts; please just ask.

TERMS OF SALE
- Net 30 days for regular customers with established credit.
- Visa, MasterCard, and American Express accepted.
- Service or handling charges are not refundable.

PRICING
- Pricing is subject to change without notice and products are priced "each" unless otherwise noted.
- When calling our Customer Service Department for any reason, please ask if your price listings are current.
- This catalog is available free of charge to any qualified individual, organization, or institution.

SHIPPING TERMS
- Our standard shipping terms are F.O.B. Phoenix, AZ.
- Stock items can be shipped within two days after receipt of your order.
- Wherever possible, we ship via UPS Ground Service. For emergency orders, we will gladly ship your order via UPS Air for guaranteed delivery within one or two days.
- All orders that require a pallet will ship via LTL Carrier

NATIONAL SALES FORCE
- Waterloo Healthcare supports our customers with a National Sales Force to assist with product demonstrations or any technical questions about our products. Please ask our Customer Service Department if there is a representative in your area.

RETURNED GOODS
- All returned goods must have an authorization number assigned by our Customer Service Department. Returns must be within 30 days from date of original shipment.
- Please refer to your purchase order number and customer account number when phoning in your request for returning merchandise.
- All returned goods must be sent prepaid. Any return that is not prepaid will be refused.
- Any cart with Electronic or Pushbutton locking systems, materials that have been modified or are not in resalable condition are non-returnable. Large or Custom orders are subject to contract and are non-returnable.

RESTOCKING CHARGE
- A 25% restocking charge may be charged to your account for returned merchandise.
- An exception to this policy would be if we shipped incorrect merchandise. If this is the case, please call our Customer Service Department and report the incorrect shipment. The same policy regarding an authorization number applies.

DAMAGED GOODS
- All damage must be reported to WHC the day the items are delivered.
- If you receive a shipment via truck, inspect all cartons at time of delivery. If you receive a package that you believe is damaged, we ask that you do not sign for it, open all packaging and if there is damage call 1-800-833-4419 as soon as possible. YOU MUST INSPECT AND MAKE NOTE OF ALL possible damage on Carriers Delivery Receipt or Bill of Lading.
- You may be asked to take pictures of the damage and send them to WHC to file the claim.
- Filing claim for damage not marked on carriers delivery receipt at time of delivery (also know as "concealed damage") will be the responsibility of the customer.
- Please save all boxes and packing material to prove that the items were packed properly.

PRODUCT WARRANTIES
- Waterloo Healthcare (Seller) warrants the products it manufactures to be free from defects in material and workmanship under normal and proper use and service for a period not exceed five (5) years from the date of delivery to the original location.
- This warranty does not apply to any product that has been subject to abuse, misuse, negligence, modification, normal wear, or an accident (dents & scratches are considered normal wear).
- Electronic components and plastic parts have a one (1) year warranty under the aforementioned conditions of use.
- The Seller's liability is limited to the cost of the repair or replacement of any products (at its factory) which fail to comply with the foregoing warranty. In no event shall the seller be liable for any consequential damages claimed as a result of breach of the foregoing warranty.
- The Purchaser must reference the original purchase order number or Seller's invoice on any claims. The Seller will determine if the products should be returned to the factory or if parts should be sent to the customer for repair of the product.
- The warranty stated herein is in lieu of all warranties, expressed or implied, including but not limited to, merchantability or fitness for a particular purpose.
